

LENARD'S GLUTEN FACT SHEET

Listed below are Lenard's products that do not contain any ingredients derived from gluten containing cereals. They are however made on the same premises as products that do contain gluten. As such it is essential that stores are advised when products are requested for individuals with gluten intolerance, to ensure that proper handling and storage of the products occurs.

As a franchise system we endeavour to maintain stringent controls over the products hand made in our stores, every day. All products are made at each store and although product recipes are ingredient specific, there may be occasions where variations may occur. Please check with your local store to ensure that standard ingredients were used in the production of the product.

It is **very** important that you contact your local Lenard's store prior to purchasing products to inform them that you have an intolerance to gluten. They will then be able to make any required products from fresh and store them separately to prevent contact with any products that contain gluten.
